Release

It is the policy of Tri-State Stone & Building Supply Co., Inc. (hereafter referred to as TSS) that customers are to select the pallets they wish to have delivered. I, the undersigned am hereby waiving TSS, its employees or agents of any responsibility stemming from their selection of my pallets. I understand that stone is a product of nature, and therefore has variations in color, texture, streaking, spotting, clefting, etc. I further understand that I was given the opportunity to select my material, yet chose not to. Therefore, if dissatisfied, TSS has no responsibility to accept a return, refund, or exchange. Further, TSS will not return to my property or job site to remove unwanted material.
